

Range Rules

Range Safety is our first and foremost responsibility. Range Rules must be followed for the safety of ourselves, other club members, and our neighbors.

1. Always keep firearms pointed in safe direction.
2. All firearms must be unloaded and actions open while people are down range at the target backers. There shall be no loaded, stored firearms behind the firing line.
3. All firearms must be in good working condition.
4. Anyone 17 years old or younger must be supervised by an adult.
5. **NO** shotgun patterning in the rifle or pistol ranges. Patterning must take place on the upper trap range at the designated target.
6. **NO** tracer ammunition.
7. **NO** glass or metal targets. Targets must be paper targets.
8. All shooting will be conducted at targets on the target backers. Absolutely **NO** targets are to be set on the ground in front of a backstop or on top of the target backstops. Do **NOT** shoot at the target frame post.
9. **NO** fully automatic firearms allowed.
10. Clean up after yourself!!

As good safety practice, eye and ear protection is recommended. All range users should be familiar with general firearms safety. **USE COMMON SENSE!**

Good sportsmanship is the underlying foundation of this club. It is your DUTY to respect the privilege of using this facility. The Club's money and the labor of members keep this range functional. Any person(s) found not obeying the range rules, vandalizing club property, or displaying obnoxious or dangerous behavior will be dealt with by the Board of Directors.

Acknowledgement of Receipt of Willow River Rod and Gun Club Range Rules

I, _____, as primary membership holder, have received, read, understand, and will comply with the Range Rules listed above and all other applicable Wisconsin statutes regarding the use, storage, and transport of firearms while on club property.
